WHEREAS, the Grantor has executed and delivered to BOA as the Lender a Trademark Security Agreement dated as of September 4, 1998 (together with all amendments and other modifications, if any, from time to time thereafter made thereto, the "Original Trademark Security Agreement") as a condition precedent to the making of the initial Credit Extensions under the Credit Agreement; and

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered an Amended and Restated Security Agreement, dated as of the date hereof (together with all amendments and other modifications, if any, from time to time thereafter made thereto, the "Borrower Security Agreement"); and

- (a) all trademarks, trade names, corporate names, company names,

business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and General Intangibles of a like nature (all of the foregoing items in this clause (a) being collectively called a "Trademark"), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office, or in any office or agency of the United States Federal or state government, and corresponding offices in other countries of the world, including those referred to in Item A of Schedule I attached hereto;

SECTION 3. Credit Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Agent in the Trademark Property with the United States Patent and Trademark Office, or in any office or agency of the United States federal or state government, and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Agent under the Borrower Security Agreement. The Credit Agreement, the Borrower Security Agreement and all other Collateral Documents (and all rights and remedies of the Agent thereunder) shall remain in full force and effect in accordance with their respective terms.

SECTION 4. No Further Trademark Registrations Without Security Interest on File. The Grantor hereby covenants that (a) it shall promptly, but no later than five days, after filing any additional Trademark applications with the United States Patent and Trademark Office, or in any office or agency of the United States federal or state government, and corresponding offices in other countries of the world, it shall execute and file (at its

expense) either a supplement substantially identical to this Agreement covering such application in the United States Patent and Trademark Office, or in any office or agency of the United States federal or state government, and corresponding offices in other countries of the world immediately after a serial number or other identifier has been assigned to such application or such other documents or instruments as the Agent shall have notified Grantor are necessary or appropriate, in each case, for the full perfection of a first priority security interest in favor of the Agent in such applications and related trademarks, such documents reflecting such security interests in favor of the Agent to be on file in any event in all requisite offices within three months after the filing by Grantor of any application.

SECTION 5. Release of Security Interest. Upon payment in full of all Liabilities and the termination of all Commitments of the Lenders under the Credit Agreement, the Agent shall, at the Grantor's expense, execute and deliver to the Grantor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Property which has been granted hereunder.

SECTION 6. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Agent and each of the other Lender Parties with respect to the security interest in the Trademark Property granted hereby are more fully set forth in the Borrower Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 7. Covenants. In addition to and not in limitation of the covenants and agreements contained in the Borrower Security Agreement, Grantor hereby covenants and agrees that it will not enter into any Trademark licenses or any other agreements that provide Grantor with the right to use Trademarks after the date hereof which would restrict the ability of Grantor to grant a security interest in favor of the Agent therein unless it obtains the prior written consent of the Agent. Grantor shall not, without the Agent's prior written consent, grant any exclusive licenses, or otherwise transfer all or substantially all Grantor's rights, with respect to any item comprising Trademark Property, except as permitted under the Credit Agreement and the Borrower Security Agreement.

SECTION 8. Grant of License to Use Trademark Property. For the purpose of enabling the Agent to exercise rights and remedies under this Agreement, the Borrower Security Agreement, the Credit Agreement and all other Loan Documents, at such time as the Agent shall be lawfully entitled to exercise such rights and remedies, and as a supplement to and not in limitation of any and all rights and remedies available to the Agent, to the extent the Agent chooses to avail itself of the following, upon and subject to the occurrence and during the continuance of an Event of Default, the Grantor grants, to the extent not prohibited by applicable law or currently existing licenses granted in the ordinary course of business (unless and until appropriate consents have been obtained), to the Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Grantor) to use, license or sublicense any Trademark Property now

owned or hereafter acquired by Grantor; provided, however, that to the extent such Trademark Property consists of Trademark licenses or other agreements that provide Grantor with the right to use Trademarks the non-exclusive license granted hereby to the Agent shall be subject to the terms and conditions contained in such Trademark licenses or such other agreements.

SECTION 9. Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof. The provisions of this Agreement are in addition to, and not intended to be a limitation of, the duties of Grantor and the rights of the Agent and each other Lender Party under the Credit Agreement or any of the other Loan Documents. To the extent there exists any conflict or ambiguity between the terms, covenants and conditions of this Agreement and any of the other Loan Documents, the terms, covenants and conditions which shall enlarge the rights and remedies of the Agent and each other Lender Party and the interest of the Agent and each other Lender Party in the Collateral, afford the Agent and each other Lender Party greater financial security in the Collateral and better assure payment of the Liabilities in full, shall control.

SECTION 10. Section Captions. Section captions used in this Agreement are for convenience of reference only, and shall not affect the construction of this Agreement.

SECTION 11. Severability. Wherever possible each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

SECTION 12. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF ILLINOIS (WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES THEREOF), EXCEPT TO THE EXTENT THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF ILLINOIS.

SECTION 13. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

SECTION 14. Amendment and Restatement. This Agreement is an amendment, restatement and continuation of the Original Trademark Security Agreement. Nothing herein shall be deemed to in any way terminate or limit any lien, claim or security interest heretofore granted to or retained by BOA, now in its capacity as Agent, for its benefit and

the ratable benefit of each of the Lender Parties, under or pursuant to the Original Trademark Security Agreement.

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be duly executed and delivered by its officers thereunto duly authorized as of the day and year first above written.
